[All Newsletters 2009 thru 2020](#) (14,000* *in one large document*)

* the approximate number of studies, reports and articles in this document.

Note 1: This extensive compilation is intended to make it easier to search for pertinent studies, reports and articles on a specific topic (e.g. wind energy interference with the military). It is advisable to try multiple search words — e.g. military, army, navy, etc. (*Search terms are case-insensitive on these PDFs.*)

Note 2: Although we'll give it a reasonable try, it should be clear that keeping 14,000± links current is an impossible job, even for someone doing it full time.

Note 3: For more links to other excellent sources of articles on Energy and Environmental matters please see the "[Current News](#)" page on our website.

Note 4: The *Newsletter* contents are intended to complement what's on our website: [WiseEnergy.org](#).

Note 5: If you have any questions, or would like to signup for this free email *Newsletter*, please email physicist John Droz [aaprjohn at northnet dot org]. There are 10,000± worldwide readers of this *Newsletter*, which now comes out every 2± weeks (depending on the volume of applicable news being generated).
